## 1. Introduction

As creditors will be aware, I, Kimberley Stuart Wallman, was appointed as the Liquidator of the Company on 29 May 2015 in accordance with a special resolution passed by the members of the Company pursuant to section 491(1) of the *Corporations Act 2001* ("the Act").

As the affairs of the Company have been fully wound up, a final meeting of creditors and members will be held on 5 October 2015 at 10:30am at the offices of HLB Mann Judd (Insolvency WA), Ground Floor, 15 Rheola Street, West Perth, Western Australia. The purpose of the meeting is to consider my account of the conduct of the winding up.

The purpose of this report is to provide creditors with a written account of the winding up, showing how the property of the Company has been disposed of, details of the outcomes of my investigations and to provide notice of the final meeting of the Company.

This final report should be read in conjunction with my previous correspondence with creditors.

## 2. Asset Realisations

I advise that all of the assets of the Company have been realised. I set out below a summary of the asset realisations achieved during the liquidation, compared with the initial estimates disclosed to creditors in my Report to Creditors dated 9 June 2015.

	As per Director's Report as to Affairs (Form 507)	Liquidator's Initial Estimated Realisable Values	Actual Realisations Achieved	Notes
	\$	\$	\$	
<b>ASSETS</b>				
Mako Partners Pty Ltd (Related party loan)	340,887	Nil	Nil	1
<b>TOTAL ASSETS</b>	<u>340,887</u>	<u>Nil</u>	<u>Nil</u>	

Notes:

1. Mako Partners Pty Ltd is also in Liquidation and will not be distributing a dividend to unsecured creditors.

## 3. Details of Dividend Distributions

Based on the above asset realisations and as previously advised in my report to you dated 9 June 2015, after the costs of the liquidation, there were insufficient asset realisations in the liquidation to pay a dividend distribution to any class of creditors.

Given the above and if you have not already done so, I respectfully suggest that you should consider the debt owed to you by the Company as unrecoverable and that you should write your debt off.

## 4. Outcomes of Liquidator's Investigations

I advise that I have finalised my investigations into the affairs of the Company. You may recall in my previous report to creditors dated 9 June 2015 a number of the investigations remained incomplete. Details of these investigations are now provided below.

**Duty to ensure books and records are maintained in accordance with the Corporations Act (Section 286)** – a company must keep written financial records that:

- a) *correctly record and explain its transactions and financial position and performance, and*
- b) *would enable true and fair financial statements to be prepared and audited.*

As discussed in my report to creditors dated 9 June 2015, I have formed the view that the Company maintained accurate books and records sufficient to enable the Director to assess the Company's financial position from time to time.

**Insolvent transactions (Section 588FC)** – *these are unfair preferences or uncommercial transactions entered into when the Company was insolvent or became insolvent as a result of entering into the transaction.*

My investigations into this matter are set out below:

**Unfair preferences (Section 588FA)** – *these are transactions where a company transacts with a creditor resulting in that creditor receiving more than the creditor would receive if the transaction were set aside and the creditor claimed the same amount in a liquidation. Unfair preferences paid by the Company within six months of the relation-back day (the day of the Liquidator's appointment) are void against the Liquidator. This timeframe is extended to four years should a related entity be a party to the transaction (s588FE(4)).*

My investigations have not indicated any material payments that would be considered preferential and therefore repayable to the Liquidator.

**Uncommercial transactions (Section 588FB)** – *these are transactions entered into that a reasonable person would not have entered, having regard to the benefits and detriment to the Company and to the other parties involved in the transaction. Uncommercial transactions entered into by a company are voidable against the Liquidator if they were entered into within two years of the relation-back day.*

My investigations have not indicated the presence of any uncommercial transactions.

**Unfair loans to a company (Section 588FD)** – *these are loans made to a Company where interest and other charges on the loan are extortionate. These transactions can be recovered regardless of when they were entered into as long as they were entered into on or before the winding up begun.*

My investigations have not revealed any unfair loans.

**Unreasonable director-related transactions (Section 588FDA)** – *these are transactions entered into by a company and a director, close associate of a director, or person on behalf of a director, which a reasonable person would not have entered into. The transaction must be a payment by a company, the transfer of property by a company, or the incurring of an obligation of a director's by a company. These transactions are voidable if they were entered into within four (4) years of the relation-back day.*

My investigations have not revealed any related party transactions.

**Transactions entered into for the purpose of defrauding creditors (Section 588FE (5))** – these are insolvent transactions entered into for the purpose of defeating, delaying or interfering with the rights of creditors and were entered into within a period of ten (10) years prior to the relation-back day.

My investigations have not revealed any such transactions.

**Circulating Security Interest created within six months (Section 588FJ)** – where a circulating security interest is granted by the Company within six months of the relation-back day, the security interest is void against the Liquidator unless valuable consideration was given or the Company was solvent at the time of granting of the circulating security interest.

My search of the PPSR has not revealed any circulating security interests registered against the Company within six months of the relation-back day.

**Directors' duty to prevent insolvent trading (Section 588G)** – a Director of a Company has a duty to prevent a Company from incurring a debt when the Company is insolvent or there are reasonable grounds to suspect that the company is or would become insolvent.

A Director would fail to fulfil that duty if the Director was aware of the grounds for suspecting the Company is or would become insolvent or a reasonable person in a like position would be aware of such grounds.

The defences available to the Director are as follows;

- (i) The Director had reasonable grounds to expect, and did expect, that the Company was solvent and would remain so; or
- (ii) The Director had reasonable grounds to believe, and did believe, that a competent and reliable person was providing adequate information to the Director and based on that information the Director expected the Company to be solvent and to remain so; or
- (iii) The Director did not take part in the management of the company at the time due to illness or other good reason; or
- (iv) The Director took reasonable steps to prevent the Company from incurring the debt.

I initially formed the view that the Director may have traded whilst insolvent because at the time transactions were entered into, there were reasonable grounds to believe the Company may not have been able to pay its debts as and when they fell due. Having said this, I have concluded that the Director has valid defences to insolvent trading actions.

A report pursuant to section 533 of the Act was forwarded to the Australian Securities and Investments Commission ("ASIC") on 21 August 2015 detailing my investigations into the affairs of the Company and possible offences committed by the Company's officers.

A reply was received from the ASIC advising the Commission did not propose to conduct an investigation into the affairs of the Company.

## 5. Lodgement of Previous Liquidator's Accounts at ASIC

Pursuant to section 539(5) of the Act, I am required to give notice to every creditor and contributory in any notice, report or circular that my six monthly accounts and statements (ASIC Form 524) have been completed and submitted to ASIC.

Given that this appointment has been on foot for less than six months, I have not yet lodged a statement of accounts with ASIC. I advise that a final statement of accounts will be lodged with ASIC shortly after the final meeting.

## 6. Summary of Receipts and Payments

There are no Receipts and Payments for this Liquidation to date.

There is \$4,000.00 held in the Liquidators Trust account, which will be transferred to the Hawkstone Capital Pty Ltd (in Liquidation) liquidation account. These funds will be drawn as Liquidators remuneration and reimbursements approved by creditors on the 18 June 2015.

The Director currently still has \$6,000 outstanding to pay for his indemnity.

## 7. Matters Outstanding to Finalise the Liquidation

The following matters are required to be attended to in order to finalise the liquidation of the Company:

- i. Convene final meeting of members and creditors;
- ii. Lodge minutes of final meeting with the ASIC;
- iii. Lodge final Business Activity Statement with the Australian Taxation Office;
- iv. Lodge return of final meeting and notice of ceasing to act with the ASIC; and
- v. Lodge final account of receipts and payments with the ASIC.

## 8. Final Comments

There is an information sheet on the independence of external administrators and one that explains the process for approving the fees of external administrators. A glossary of commonly used insolvency terms is also provided.

The Insolvency Practitioners Association (IPA), the leading professional organisation in Australia for insolvency practitioners, endorses these publications and encourages its members to make their availability known to affected people.
